

Export license to be obtained by Buyer. Interglobal Forwarding Services as Agent for GOI/MOD, will be the exporter of record for all items on purchase order.

The Seller MUST provide jurisdiction information to the Mission (through the buyer) in order for the Mission to obtain the necessary export license if one is required for export to Israel.

If a State Department or Commerce export license is required for the export of the items being procured under this Purchase Order then Mission will be the USPPI of such items for AES/EEI purposes.
