

As a condition of FMF funding of Purchase Orders of \$1,000,000 or more, the contractor agrees that Defense Contract Audit Agency (DCAA) contract audit services will be performed to ensure that the contractor is in compliance with the Defense Security Cooperation Agency (DSCA) Contractor's Certification and Agreement.

DCAA will perform such contract audit services in accordance with the Contractor's Certification. To insure contractor's compliance, DCAA contract administration and audit services will be provided over the life of the Purchase Order and will be coordinated with the Defense Contract Management Agency's International Logistics Office.
